## MEMBER BENEFIT BROCHURE

**CONGRATULATIONS** on purchasing the best reimbursement Auto Club program available! We pride ourselves in providing top-notch service along with valuable benefits every member can enjoy.

Please review the information to follow so you can fully understand our program and how it works. We encourage you to keep this brochure in an easily accessible location so you can refer to it, as needed.

### TOP 3 REASONS PTS AUTO CLUB IS BETTER THAN THE REST

#### Our memberships are member-specific

Unlike many auto club memberships, your membership is member-specific rather than vehicle-specific. This means you are covered no matter what vehicle you are in.

#### We pay out even if your insurance does.

Some insurance policies cover towing expense and other roadside expenses. With PTS Auto Club, even if your insurance pays for the cost of your roadside service, PTS Auto Club will still reimburse you for the amount you would have paid\*!

#### Up to 3 Tow Reimbursements

Unfortunately, breakdowns usually occur more than once. We understand! Your membership entitles you to up to three (3) tow reimbursements per 12-month period. That is equivalent to up to \$150\*\* in reimbursements!

\* Maximum reimbursement is \$50

\*\* Based on 3 maximum reimbursement claims

### HOW IT WORKS

Follow these simple steps for help when you need it most.

#### 1. Member calls for roadside assistance

You may choose any licensed roadside assistance company of your choice.

#### 2. Member pays for service

Payment must be made at time of service. Remember to obtain a copy of paid receipt for reimbursement purposes.

#### 3. Member submits paid receipt for reimbursement

Submit your paid receipt directly to PTS Auto Club or to the location where membership was purchased.

#### 4. Member receives reimbursement check

You will be reimbursed up to \$50 via check, which will be mailed within 7-10 business days once claim is received!
